

NEWSLETTER

Camden Road Hostel Project

January 2025 Issue

Welcome to the Camden Road project newsletter, which will provide you with up-to-date information on the build and upcoming opportunities.

 Camden
Community Investment Programme

What's coming up?

The Camden Road site is making excellent progress, with significant works currently underway. Here's an update on recent activity:

- **Hoarding Installation:** Secure hoardings and barriers have been erected to secure the site.
- **Piling and Groundworks:** Initial groundwork preparations are underway, with piling works progressing smoothly.
- **Welfare Facilities:** On-site welfare facilities have been fully installed for the project team.
- **Loading Bay:** The new loading bay and turnstile entrance are now in place, enhancing site access and logistics.

Social Value Plan

The project will deliver several wider benefits for the local community through our Social Value Plan, including:

- Offering employment and apprenticeship opportunities to Camden residents.
- Engaging with local schools to promote construction careers via site visits, T-Level placements.
- Contributing volunteer hours, donations, and partnering with charities to enhance community services.
- Promoting biodiversity and supporting local green spaces through conservation efforts.

Current Opportunities

Are you interested in a career in construction and live in Camden? If so, get in touch with Elliott at Elliott.Shaw@morgansindall.com to learn more.

Additionally, if you're studying a construction-related course and seeking unpaid work experience, contact Elliott at 07443 251 270.

Feedback & Comments

For updates, feedback, or to raise any concerns, please visit the dedicated Morgan Sindall Camden Hostels webpage by scanning the QR code on this page.
