

BRUNSWICK SQUARE

PROPOSED WALKING AND CYCLING IMPROVEMENTS

LEGEND

- 01 Road raised to pavement level between northern and southern ends of Brunswick Square.
- 02 New continuous pavement pedestrian crossing.
- 03 Existing permit holder parking largely retained outside the Brunswick Centre and along Lansdowne Terrace (there would be a net loss of 2 resident parking bays across the scheme).
- 04 Existing cycle hire station retained.
- 05 New road closure (except cycles) between Brunswick Square and Lansdowne Terrace.
- 06 New turning head to Brunswick Square (south).

- 07 Existing parking spaces in Grenville Street retained (some relocated to Lansdowne Terrace).
- 08 New tree planting in new pedestrian-only space.
- 09 Self-binding gravel surfacing to compliment the surrounding paving.
- 10 New seating to railing edge of Brunswick Square Gardens, overlooking the space.
- 11 Existing telephone kiosk retained.
- 12 New cycle parking provided.
- 13 Existing historic lamp post reinstated.
