

# PROPOSED LAYOUT PLAN

EVERTON BUILDINGS

Netley Primary School Site

WILLIAM ROAD

17 to 33

35

37

15

Install lockable bollards to allow emergency service vehicles only into Everton Buildings.

Replace existing school keep clear markings with a 35 metre resident's parking bay.

Widen the existing footway by 2 metres and create a 10 metre long footway level, school bus bay and plant additional trees.

Extend the existing raised crossing on William Road across Stanhope Street to create a new raised junction. Install double yellow lines with no loading/waiting at anytime restriction.

Remove existing tree.

Replace the existing road hump and relocate 15 metres of resident's parking bay to William Road to create a raised table.

Remove 2 metre wide footway build out and relocate 20 metre resident's parking bay to William Road. Lower the existing raised zebra crossing and relocate it closer the main school entrance.

Remove existing lay-by to widen the existing footway by 2 metres.
