

Safe and Healthy Street schemes

Example changes

See below for examples of some different features being added to Safe and Healthy Street schemes across Camden which relate to the Adeline Place area Safe and Healthy Streets scheme. If you have any questions you can email at safetravel@camden.gov.uk

Cycle lane separated with an island

Cycle parking stands

A tree in a pavement build-out/extension

No entry area except for cyclists

A bike hangar

Continuous Footway / Pavement

Santander cycle hire docking station

This cycle hire space is on a part of pavement which has been extended (pavement build out)

Permeable paving around trees
