During September and October 2022 we consulted on whether to make the trial Healthy School Street, two way cycling as well as the addition of two bike hangars permanent. Thank you to everyone who shared their views. We have now decided to make the following permanent changes:

- Healthy School Street motor vehicle restrictions on Bidborough Street, Hastings Street and Tonbridge Street between 8.15am – 9.15am and 3pm - 4pm, Monday to Friday term time only.
- Two way cycling on the same sections of the above streets.
- Installing two new bike hangars on Tonbridge Street (opposite Argyle Primary School) creating secure parking space for up to 12 standard bikes for local residents.

You can read the decision report and find out more about exemptions, by visiting: **camden.gov.uk/healthy-school-streets**.

The new bike hangars will be installed later this year. If you would like to register your interest for a space, please email us at **cycle@camden.gov.uk**

If you have any questions, comments or concerns regarding the scheme, please contact us at **healthy.school.streets@camden.gov.uk** or call 020 7974 8796 to request a call back from an officer.
