

Safe and Healthy Street schemes

Example changes

See below for examples of some different features being added to Safe and Healthy Street schemes across Camden which relate to the Bayley Street Safe and Healthy Streets scheme. If you have any questions you can email at safetravel@camden.gov.uk.

A rain garden on a pavement buildout

A cycle track surfaced in granite sets

Cycle parking stands

A dockless e-scooter & cycle hire parking bay

A bike hangar

A tree in a pavement build-out/extension

A traffic filter / traffic restriction with droppable bollard and planters

No entry area except for cyclists
