

Better, Safer Kilburn Update June 2025

Making your streets safer and healthier

In July and August 2024 we consulted on changes to make it easier to walk and cycle in and around Kilburn town centre. Our ideas included creating more space to make visiting and shopping a more pleasant experience. We also proposed to improve road safety and local air quality, maintain bus journey times and make it easier to catch public transport.

Thank you to everyone who took the time to share their views. We've now decided to go ahead with our proposals which were supported by over 80% of all respondents. You can read the decision report and our feedback to the consultation responses on our website:

kilburnhighroad.commonplace.is

We will inform you again when we intend to start construction of this phase of the scheme.

Statutory traffic orders, where required for new parts of the scheme proposed and how you can respond will be displayed on notices on local streets and in local newspapers.

They will also be added to Camden Council's website at: camden.gov.uk/recently-advertised-proposals

If you'd like this information in another format like large print or another language just get in touch with us on 020 7974 4444 or email safetravel@camden.gov.uk
