During September and October 2022 we consulted on whether to make the trial Healthy School Street on Croftdown Road permanent. Thank you to everyone who shared their views. We have now decided to make the following permanent changes:

- The Healthy School Street motor vehicle restrictions on Croftdown Road. The scheme restricts non-exempt motor vehicles between 8.15am – 9.15am and 3pm – 4pm, Monday to Friday during term time only.
- The closure of one arm of the St Albans Road – Croftdown Road triangle junction. The planters will be replaced with permanent street greening.
- Newly installing two bike hangars on the road outside Brookfield Primary School, creating secure parking space for up to 12 standard bikes for local residents.
