Main scheme proposals:

- **New continuous footway** at junction of Rousden St with Randolph St to reduce speeds of vehicles entering Rousden St and to give priority to pedestrians
- **8 new trees** (subject to trial holes) along the south side of Rousden St to maintain the street's historic visual appeal
- **New planted area** with bio-diverse plant species

No changes to existing No Entry signs

2 resident parking spaces

3 resident parking spaces

3 resident parking spaces

3 resident's parking spaces

3 resident's parking spaces

Relocated bike hangar from the opposite side of the street

New planted area

New 7.5t weight limit

except for access
