

Camden Sure Start

early years survey

A survey about changes to our nurseries and early years services

We want to know what you think about our ideas for our early years services

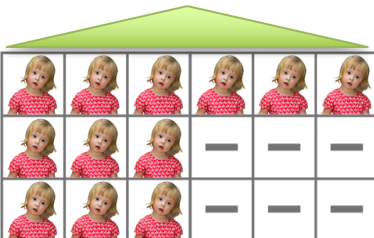

We want to focus more on children's first 3 years of life

Experts say these first 3 years are crucial for children's development and can affect how well they do later in life

We want to make sure disadvantaged children have the same chance as other children

We want to have fewer vacancies in our nurseries

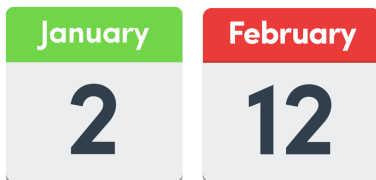

We want to make better use of nurseries based in local primary schools which there are also vacancies

The nurseries that would offer new services for children's first 3 years would be

- Konstam
- Gospel Oak
- Hampden
- Kilburn Grange

This survey starts on **2 January 2020**
and ends on **12 February 2020**
