

Doric Way Streatery

Keeping the Streatery permanently

STREATERIES

Keeping your local Streateries

In 2021 we added new Streateries across Camden. Streateries are where we create new spaces in the road to allow cafes and restaurants to serve customers outside. These Streateries are supporting our high streets and town centres and boosting the local economy.

Thank you to everyone who shared their views in the recent consultation on the Doric Way Streateria. We have now decided to make this Streateria permanent.

You can read the decision report and our feedback to the consultation responses on our website:

Streateries are a key part of our Future High Streets Programme where we are exploring ways to continue to support our local high streets. We want to create enjoyable, safe and beautiful places people want to spend time in, as businesses look to offer unique experiences beyond just shopping.
