During September and October 2022 we consulted on whether to make the trial Healthy School Street as well as two way cycling on the south section of Bedford Square permanent. Thank you to everyone who shared their views. We have now decided to make the following changes permanent:

- Healthy School Street motor vehicle restrictions on the southern section of Bedford Square between 8am – 9am and 4pm - 5pm (changed from 3pm – 4.30pm to more closely align with the end of the school day), Monday to Friday during term time only. Until the signage is updated the original restriction times will continue to be enforced.
- Two way cycling provision on the southern section of Bedford Square.

You can read the decision report and find out more about exemptions, by visiting: **camden.gov.uk/healthy-school-streets**.

The Healthy School Street scheme signage will be updated later this year to reflect the new afternoon restriction times.

If you have any questions, comments or concerns regarding the scheme, please contact us at healthy.school.streets@camden.gov.uk or call 020 7974 8796 to request a call back from an officer.
