

# Proposal for Gordon Street & Gordon Square West

## Key:

-  A. North section of Gordon Street will remain open to motor traffic. Vehicles coming in from the north will turn around and exit from the north.
-  B. One way movements (northbound) permitted for emergency vehicle access, refuse collection, deliveries and access to disabled parking bays. Cycling will remain as two way.
-  C. Existing Gordon Square North closure to be retained
-  D. Vehicular traffic who previously used Gordon Square West will now turn left into Gordon Square East and carry on onto Taviton Street, Endsleigh Gardens to join Euston Road via the north end of Gordon Street.
-  E. Public footway / pavement
-  F. New Pedestrian and public realm.
-  G. Proposed new loading bays x3
-  H. Existing disabled bay relocated and new disabled bay proposed
-  I. Existing Dockless E bike & E scooter bay to remain
-  J. Existing Electric Vehicle Charging Point bay to remain
-  H. Potential for cycle / pedestrian safety improvements - to be assessed ahead of the trial commencing.
