Making your streets safer and healthier

In March 2022 we consulted on whether to make the trial changes on Grafton Way permanent to make it easier to travel by bike between Fitzroy Street and Whitfield Street. Thank you to everyone who shared their views. We have now made the following permanent changes:

- Keeping eastbound cycling between Fitzroy Street and Whitfield Street.
- Keeping signage, on street cycle symbols and other markings showing permitted cycle route.
- Keeping waiting and loading prohibitions (double yellow lines with double kerb blips) on Grafton Way, including at the junctions with Fitzroy Street and Whitfield Street
