

Information for you

Following consultation in January and February 2022, during which we received over 200 responses, the Council has approved the installation of a Parklet on Great Ormond Street.

The 'paid-for-parking' bay, to the west of the hospital entrance on Great Ormond Street, will be suspended on an initial 18-month trial period. Great Ormond Street Hospital, as the Parklet Sponsor, will be arranging for installation of the Parklet.

Construction work will take place between Monday 9th May and Friday 13th May. Working hours will be: 08:30 am to 5:00 pm. Some noise should be expected.

Great Ormond Street Hospital will also be the caretaker of the Parklet, and be responsible for its upkeep and maintenance.
