Consultation results

Thank you to everyone who shared their views in our consultations on bringing Phase 3 of our Green Mobility Hubs to the Somers Town area. We have now decided to go ahead with our proposals. You can read the decision report and our feedback to the consultation responses at: camden.gov.uk/GreenMobilityHubs

We're going to introduce 7 Green Mobility Hubs in Somers Town. These will be places with a mix of environmentally sustainable transport options all in one single, easily recognisable location. Plus more planting, trees, seating, and signs to help with finding your way around.

We will be adding planting near the Werrington Street Green Mobility Hub as part of the Phoenix Road Scheme.

What happens next?

Statutory traffic orders, where required for new parts of the scheme proposed and how you can respond will be displayed on notices on local streets and in the Camden New Journal.

They will also be added to our website at: camden.gov.uk/recently-advertised-proposals

If you'd like this information in another format like large print or another language just get in touch with us on 020 7974 4444 or safetravel@camden.gov.uk
