Cycle hangers x 6 streets - where these have been requested already to Camden team and also the CIL consultation (£20k) Cliff Rd, NW1 9AJ; * Bartholomew Villas, NW5 2LL; * South Villas, NW1 9BS * Julian Court, 150 Camden Rd, NW1 9HU * Rousden or Randolph * Camden square

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Cantelowes	A Greener Cantelowes - supporting more planting, improving our green spaces and parks, encouraging sustainable forms of transport through electric vehicle charge points and better cycle storage provision.	EV charge points - Doubling the installation with an additional 8 lamp post points (24k) Could look at BARA streets and St Augustines
Cantelowes	Giving young people in Cantelowes the best start in life - investing in families for children and youth provision.	
Cantelowes	Providing opportunities for all in Cantelowes - investing in skills/training projects, the local voluntary sector and widening access to opportunities.	
Fortune Green	Community facilities	Community gardening
Fortune Green	Community facilities	Improvements to community and play facilities including Sidings Community Centre and Fortune Green Playcentre
Fortune Green	Transport and streets	Traffic calming measures including outside Hampstead School on Westbere Road
Fortune Green	Transport and streets	Installation of benches
Fortune Green	Transport and streets	Public realm improvements including around Cricklewood Broadway/Town Centre
Fortune Green	Transport and streets	Provision of cycle parking

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Fortune Green	Open/green spaces and nature	Community gardening/greening
Fortune Green	Open/green spaces and nature	Improvements to Hampstead Cemetery
Fortune Green	Community safety	
Fortune Green		Projects that meet priorities identified in the Fortune Green & West Hampstead Neighbourhood Plan
Frognal & Fitzjohns	Transport and streets	Replace street signs with heritage tiles – Prepare a new run of black and white street name tiles to be used across Frognal & Fitzjohns. Potentially either proactive replacement (i.e. replacing signs even when they don't need replacing with black and white tiles) or reactive replacement (i.e. replacing any signs that need replacing with black and white tiles).
Frognal & Fitzjohns	Transport and streets	Replace lamp posts with heritage-style lamp posts – Reactively replace bare galvanised steel lamp posts with heritage-style lamp posts (with lightbulbs that do not harm wildlife) wherever replacement or installation is done.

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Frognal & Fitzjohns	Transport and streets	Conduct feasibility study for provision of safe crossings across Frognal Lane– For Camden Council/TfL to conduct a feasibility study to re-model the dangerous crossing between Frognal Lane and Finchley Road and to consider introducing a new crossing between Frognal Lane and Frognal.
Frognal & Fitzjohns	Transport and streets	Improved bin provision: Commission heritage-style bins to proactively replace public bins across Frognal and Fitzjohns; increase the number of litter and dog waste bins across the ward; invest in CCTV to deter rubbish dumping in peak flytipping spots.
Frognal & Fitzjohns	Transport and streets	Funding towards initiatives to reduce school run traffic – Where necessary, local CIL can be used to supplement existing initiatives to reduce the level of school run traffic and to enforce no engine-idling rules around schools, in particular on Arkwright Road/Frognal. In addition, where appropriate, funding will be provided for additional crossing points on Fitzjohns Avenue. Any use of local CIL money contingent on local involvement and consultation on additional measures proposed.

<b>LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019</b>		
<b>Ward</b>	<b>Priority</b>	<b>Projects</b>
Frognal & Fitzjohns	Reduce air pollution	Air quality monitoring – Install new air quality monitoring locations a number of key locations (including Arkwright Road, Fitzjohns Avenue and around schools).
Frognal & Fitzjohns	Reduce air pollution	Plant street trees – Additional planting of street trees, and enlargement of existing tree pits. Included within this is additional hedge-planting where appropriate, such as behind the front boundary wall at Studholme Court.
Frognal & Fitzjohns	Reduce air pollution	Part-time Tree Officer – Engage a part-time tree officer to help with tree protection work.
Frognal & Fitzjohns	Community facilities	Community Notice Boards – re-introduce a community notice board in Netherhall Gardens at the junction with Netherhall Way
Frognal & Fitzjohns	Community facilities	Refurbish Henderson Court Resource Centre – Contribution of funding with Hampstead Town to improving the Henderson Court Resource Centre.
Frognal & Fitzjohns	Community facilities	New police contact point – Create a new police contact point in Hampstead (joint funding with Hampstead Town).

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Gospel Oak	Youth Services	We have some incredibly vibrant and dynamic services and we need to ensure their future in the ward. We would like particular consideration to go to those organisations that are already proven to work in the area, that is QCCA/The Dome, Sir Hubert von Hermokmer, City Farm and London School of Mosaic.
Gospel Oak	Children's Road Safety	Conversations with our residents have shown that there is a particular concern about some of the fast roads in the area, and the threat they pose to children's safety outside the schools. Here we would like to specifically mention St Dominic's and the Malden Road bend outside their school.
Gospel Oak	Greening and Air Quality	We would welcome cycle hangers being a priority for our CIL spending, but also the greening of Mansfield Road and other areas of Gospel Oak ward.
Hampstead Town	Improve open spaces	Improve East Heath and Vale of Health playgrounds – Improvements to the two play areas: East Heath playground (at junction of Willow Road and Downshire Road) and Vale of Health Playground (on Hampstead Heath, near the junction of East Heath Road and Cannon Lane).

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Hampstead Town	Invest in community facilities	Refurbish Henderson Court Resource Centre – Work with AgeUK Camden to improve the Henderson Court Resource Centre and the public realm at Henderson Court. This project would be backed jointly by Hampstead Town and Frognal & Fitzjohns CIL.
Hampstead Town	Develop community nodes away from the High Street	Improve South End Green – Replace and improve lamp-posts around South End Green and restore the fountain to operation.
Hampstead Town	Conserve Hampstead’s distinctive village character	Restore Hampstead’s historic wells – Restore the historic Chalybeate Well (adjacent to 15 Well Walk) and Shepherd’s Well (adjacent to 41 Lyndhurst Road) to operation.
Hampstead Town	Improve accessibility, especially for older residents	Improve pavements on Well Road – Replace the ‘grey grit’ at the eastern end of Well Road with Yorkstone paving.
Hampstead Town	Develop community nodes away from the High Street	Improvements to Whitestone Pond – Improve the public realm at Whitestone Pond to attract visitors up Heath Street and to create a node of use to the community in the northern part of Hampstead Town. Plans to be decided, but likely to involve benches and plantings near the pond to detract from concrete paving.

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Hampstead Town	Improve accessibility, especially for older residents	Improve the Woodland Walk path – Improve the accessibility of the pathway from the Russell Nurseries estate to Lawn Road, including lighting and hand rail. Move Belsize Wood public information sign to side of the pathway, and other minor changes.
Hampstead Town	Improve accessibility, especially for older residents	Conduct feasibility study on Greenhill – For Camden Council to conduct a feasibility study to re-model and re-landscape the embankment at Greenhill and Hampstead High Street.
Hampstead Town	Reduce air pollution	Plant street trees – Complete the lines of trees on Well Road, Well Walk, and Hampstead Grove. Consider trees on Willow Road, Willoughby Road,
Hampstead Town	Improve accessibility, especially for older residents	Erect bus shelter on Fitzjohns Avenue – Erect a bus shelter with digital arrivals display at bus stops G and K, on Fitzjohns Avenue.
Hampstead Town	Develop community nodes away from the High Street	Improve public realm outside Christ Church – Improve the public realm at the junction of Holford Road, Cannon Place, and Hampstead Square.
Hampstead Town	Improve open spaces	Restore Carnegie House communal garden – Restore communal garden at Carnegie House on New End.

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Hampstead Town	Improve open spaces	Restore Boades Mews garden – Fund the improvement of Boades Mews garden (used by New End School) and explore mechanisms to make its use open to the public.
Hampstead Town	Reduce air pollution	Install electric vehicle charging points – Install electric car charge points in a large number of lamp posts locally (without reserving any spaces for the use of electric cars).
Hampstead Town	Conserve Hampstead distinctive village character	Replace bins with heritage-style bins – Commission heritage-style bins to proactively replace public bins across Hampstead.
Hampstead Town	Conserve Hampstead distinctive village character	Replace lamp posts with heritage-style lamp posts – Reactively replace bare galvanised steel lamp posts with heritage-style lamp posts wherever replacement or installation is done.
Hampstead Town	Invest in community facilities	Renovate WAC Arts – Contribute funds towards the large-scale improvement works at WAC Arts, along with contributions from Belsize local CIL and Camden strategic CIL.
Hampstead Town	Invest in community facilities	Support works at the Armoury gym – Repair and renovate damaged windows and façade, make the building watertight and prevent ongoing damage to internal structures due to water ingress.
Hampstead Town	Invest in community facilities	Renovation of Hampstead Community Centre – Replace rooflights with energy-efficient lights, motorised opening vents and blinds.

<b>LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019</b>		
<b>Ward</b>	<b>Priority</b>	<b>Projects</b>
Hampstead Town	Invest in community facilities	Restoration of doors at Burgh House – Replace the doors for toilets in Peggy Jay Gallery, which have been damaged due to heavy use.
Hampstead Town	Conserve Hampstead distinctive village character	Replace street signs with heritage tiles – Prepare a new run of black and white street name tiles to be used across Hampstead Town and Frognal & Fitzjohns. Potentially either proactive replacement (i.e. replacing signs even when they don't need replacing with black and white tiles) or reactive replacement (i.e. replacing any signs that need replacing with black and white tiles).
Hampstead Town	Improve open spaces	Landscaping and flower beds on Pond Street – Support works on the restoration to use of the public green space on Pond Street.
Haverstock	Community facilities	
Haverstock	Open/green spaces and nature	
Haverstock	Arts and culture	
Haverstock	Community safety	
Highgate	Community facilities	Wood that Works for HNCC – full proposal already submitted
Highgate	Community facilities	Boxing equipment for police/youth sessions
Highgate	Community facilities	Highgate Library – youth and education work

<b>LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019</b>		
<b>Ward</b>	<b>Priority</b>	<b>Projects</b>
Highgate	Community facilities	Lissenden Gardens – shed and clearing/refurb room for TRA
Highgate	Community facilities	Swains Lane bus stop toilets
Highgate	Community facilities	Lissenden bunker exploration and development – to explore potential and feasibility
Highgate	Community facilities	Highgate road signage – proposal in preparation for submission
Highgate	Air quality/traffic	Dartmouth Park traffic scheme – work underway with officers
Highgate	Air quality/traffic	Bike hangars – ongoing support with any remaining CIL money
Highgate	Green open space	Churchill Rd cobbles area planting – Acland Burghley School project
Highgate	Green open space	Stoneleigh Terrace planting
Highgate	Green open space	Waterlow Park drinking water fountains
Highgate	Green open space	Pond Square benches, signage and facilities
Highgate	Green open space	Carol Close park improvement
Holborn & Covent Garden	Community facilities	Dragon Hall
Holborn & Covent Garden	Community facilities	Holborn Community Association
Holborn & Covent Garden	Community facilities / open spaces	Phoenix Garden
Holborn & Covent Garden	Transport and streets	Public realm and greenspace improvements
Holborn & Covent Garden	Transport and streets	Cycle hangers

<b>LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019</b>		
<b>Ward</b>	<b>Priority</b>	<b>Projects</b>
Holborn & Covent Garden	Transport and streets	Demark Street Arts streetscape project
Holborn & Covent Garden	Highways, licencing and planning enforcement	Investigate projects to address the impacts of new development
Kentish Town	Children, families and young people	NW5 Project
Kentish Town	Air quality, open and green space	Cycle hangar on Leighton road
Kentish Town	Community facilities	Kentish Town Christmas Lights
Kentish Town	Supporting local employment	Kentish Town Community Centre
Kentish Town	Children, families and young people	Kentish Town Primary School
Kentish Town	Children, families and young people	Acland Burleigh School
Kilburn	Community facilities	Facilities improvements at Kingsgate Community centre - £60k
Kilburn	Community facilities	Improvements to Alexandra and Ainsworth TRA Hall - £40k
Kilburn	Open / green space	Improvements to Kilburn Grange Park – we would be willing to contribute up to £80k (the original plans did not use CIL money).
Kilburn	Open / green space	Dementia garden at Kingsgate Centre. We would be happy to contribute £15k (but stress again that Netherwood, which was forced to close, had it's own much cherished garden).

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Kilburn	Open / green space	Kilburn Friends of Grange – willing to do landscaping the improvement to locality. Local Kilburn community and garden club has ideas about this. £20k
Kilburn	Community facilities	£10k for assistance with facilities for the Shinbudo Martial Arts Club Judo club in Rowley Way – they do so much in promoting Judo amongst BAME girls and kids.
Kilburn	Safety	£12.5k for improving the crossing at Abbey Road, nearest to Abbey Low Rise and Ainsworth Way entrance not the new blocks junction.
Kilburn	Open / green space	Up to £15k for Webheath estate improvements. The TRA have some ideas to improve the look of the entrance and fix some of the decay on the estate.
Kilburn	Community facilities	Shell Centre - £5k
Kilburn	Community facilities	Arc Youth Club - £5k
Kilburn	Community facilities	Abbey Community Centre - £5k
Kilburn	Community facilities	West Hampstead Women's Centre £2.5k
King's Cross	Not specified.	Improve the Argyle Square basketball play space by installing new anti-slip surface
King's Cross	Not specified.	Improve the currently run-down and under-utilised Wicklow Street play space

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Swiss Cottage	Open/green spaces and nature	Bins and recycling centre by Swiss Cottage - Remove recycling windowless building eyesore and relocate to an industrial area or perhaps by the builders depot Finchley Road for example
Swiss Cottage	Open/green spaces and nature, Children's services, Community facilities	Swiss Cottage Open Space - hedge perimeter around Swiss cottage open space green space, so children are more enclosed and less ability to run out the ends. flatten out the grassy area/ make it slope. The hills were obviously an artistic design but too steep and unusable for children to play on well.
Swiss Cottage	Social care and health	Sidney Boyd Court NW6 Funds should be used to develop a garden on unused land on The Sidney Boyd Court Estate. The aim is to have raised beds for a vegetable garden to be tended by residents of all ages, children and pensioners included. Raised beds would give access to disabled people as well as older people.

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
Swiss Cottage	Social care and health	The Hive (Swiss Cottage) - Catch22 - The Hive in Swiss Cottage in a mental health and wellbeing service for all young people aged 16 to 24 in Camden. It provides a valuable service and safe space for young people from all walks of life. The service needs funds in order to keep the building open and accessible for our young people. Please see <a href="https://www.catch-22.org.uk/services/the-hive/">https://www.catch-22.org.uk/services/the-hive/</a> for more info on what we do.
Swiss Cottage	Social care and health	Swiss Cottage Surgery GP practice - The health centre needs more space and with funding support could build more clinical rooms to make the residents experience better and allow more people access to the excellent health care they provide.
Swiss Cottage	Open/green spaces and nature	Littered land next to Broadhurst Swings - A new pedestrian level green space with planters for the Community to grow and care for wild flowers and herbs.
Swiss Cottage	Children's services, Community safety, Sports, Community facilities, Social care and health	Support refurbishment and improved community facilities at The Winch.  We need your support to refurbish and improve our facilities for young people and our community, and to fit-out new premises.

LOCAL COMMUNITY INFRASTRUCTURE LEVY PRIORITY LIST MAY 2019		
Ward	Priority	Projects
