

Phoenix Road safe and healthy streets

We want to make changes to Phoenix Road to make it safer and healthier for you to get around

The changes we want to make are

- make the pavement wider and add plants on Phoenix Road in three places
- add plants and bollards in the road so no cars, buses and motorbikes can drive on phoenix road between Werrington Street and Chalton Street
- add plants and bollards in the road so no cars, buses and motorbikes can drive between Ossulston Street and Phoenix Road

Ambulances, police cars and fire engines will always be able to drive

We want to make these changes to make Phoenix Road

- quieter with less car noise
- safer with less cars
- greener with more plants and trees
- easier to get around

We want to test these changes for about 1 year

We want to know if you like our ideas for Phoenix Road

You need to tell us by Thursday 30 March 2023

You can post this in our envelope - you don't need a stamp. Send this to

LBC TRANSPORT STRATEGY

Or you can email

safetravel@camden.gov.uk

When we have looked at all the answers we get back we will get in touch with residents and let them know what we have decided to do

we might

- keep the changes
- make some of the changes
- add some extra changes
- take away all the changes and put it back to how it was

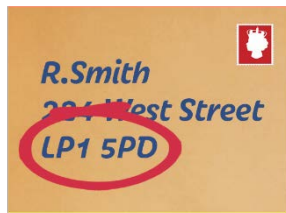

Thank you for telling us what you think.

Would you like some wider pavements and plants on Phoenix Road?

yes ✓	no ✗	not sure ?

Would you like us to test plants and bollards in the road so no cars, buses and motorbikes can drive on phoenix road between Werrington Street and Chalton Street?

Testing means we would try it out for about a year to see if it works
