

# Safe and Healthy Street schemes

## Example changes

See below for examples of different features being added to Safe and Healthy Street schemes across Camden. If you have any questions you can email at [safetravel@camden.gov.uk](mailto:safetravel@camden.gov.uk) .

### A blended pedestrian crossing over a side road

### A parallel (pedestrian and cycle) crossing

### A kerb and wand segregated cycle lane

### A raised stepped cycle track

**A kerb segregated cycle lane**

**Blue surfacing on a cycle lane**

**A bus stop bypass with cycle lane**

**A shared use bus boarder with cycle lane**

**A traffic filter / traffic restriction with droppable bollard and planters**

**No entry area except for cyclists**

**A rain garden**

**A tree in a pavement build-out**

## A cycle reservoir
