

# Example changes for Queen's Crescent

See below for examples of different features being added to schemes across Camden. These are examples of features which are proposed on Queen's Crescent but they don't show exactly what they would look like on the Crescent. If you have any questions you can email at [safetravel@camden.gov.uk](mailto:safetravel@camden.gov.uk) .

## A traffic filter / traffic restriction with signs

## A raised table

## A bike hangar

## Continuous Footway / Pavement and new tree

### Patterned Pavement

### Raised Parking

### Rain Garden (sustainable urban drainage system)

### Dockless bike hire bays
