

# Christchurch Hill and Flask Walk/Well Walk area Update December 2024 – changes coming soon

# Making your streets safer and healthier

In February/March 2024 we consulted on changes to the area around Christchurch Hill and Flask Walk/Well Walk, to create safer and healthier streets for everyone. This included a trial Healthy School Street (HSS) for Christ Church Primary School and other permanent Safe and Healthy Streets changes. Thank you to everyone who shared their views.

We have now decided to go ahead with our proposals outlined in the decision report. You can read the decision report, our feedback to the consultation responses, and how your comments have informed what we will be doing at [safetravelcamden.commonplace.is](https://safetravelcamden.commonplace.is)

The HSS will be introduced as an 18 month trial. Throughout the trial there will be a survey where you can give feedback. We will write to you later in 2025 with an update of when the changes will be made and how to apply for an exemption to the HSS if eligible.

Statutory traffic orders, where required for new parts of the scheme proposed and how you can respond will be displayed on local streets and in the Camden New Journal. They will also be added to our website at: [camden.gov.uk/recently-advertised-proposals](https://camden.gov.uk/recently-advertised-proposals)
