

# Earlham Street Streatory

Creating space for outside dining

# Your New Streatory

Last year we created new Streateries across Camden by creating new spaces in the road to allow cafes and restaurants to serve customers outside. These new spaces are helping to boost the local economy and keeping communities safe by providing extra space for social distancing.

Thank you to everyone who took the time to share their views in the recent consultation on a new temporary Streatory for Earlham Street. We had over 80 responses and following the consultation we have made the decision to implement the changes on a temporary basis for up to 18 months. You can read the decision report and our feedback to the consultation responses on our website:

[camden.gov.uk/safe-and-healthy-streets](https://camden.gov.uk/safe-and-healthy-streets)

Once the Streatory is up and running you can let us know how you feel about the changes and share any ideas for how we could make improvements via our website: [streateries.commonplace.is](https://streateries.commonplace.is). You can use this QR code to access the site from your phone. If you'd prefer to fill out a paper form just get in touch with us on 020 7974 4444 and we'll pop one in the post for you. Thank you for sharing your thoughts with us.
