

Your Safe and Healthy Streets - August 2022

Windmill Street

Permanent changes now in place

Making your streets safer and healthier

In March 2022 we consulted on whether to make the trial changes on Windmill Street permanent to make it easier to travel by bike between Charlotte Street and Whitfield Street. Thank you to everyone who shared their views. We have now made the following permanent changes:

- Keeping eastbound cycling between Charlotte Street and Whitfield Street.
- Keeping signage, on street cycle symbols and other markings to show permitted cycle route.
- Keeping waiting and loading prohibitions (double yellow lines with double kerb blips) at the junctions with Charlotte Street and Whitfield Street.
- Permanently changing parking including removing 4 metres of resident permit holders parking bay and 1 dockless bike hire parking bay.
